

## EA Executive Overview

This half day seminar provides managers, team leaders and decision-makers with an accelerated introduction to Enterprise Architect and its full range of capabilities. Presentations demonstrate the business benefits of key modelling techniques and the productivity advantages of using this CASE tool.

**Duration:** ½ day

**Prerequisites:** No prior Enterprise Architect experience is required.

**Equipment:**

For on-site delivery the customer should provide a suitable training room with a screen or projector to connect to our trainer's laptop and a whiteboard or flipchart. No PCs or laptops are required.

For webinar delivery delegates require a PC or laptop with an Internet connection (a headset can be helpful). If you wish to test your environment join a test WebEx meeting: [www.webex.com/test-meeting.html](http://www.webex.com/test-meeting.html)

**Seminar Style:** 50% theory, 50% demonstration.  
Contains demonstrations of key Enterprise Architect features.

**Delegate Handouts:** Each delegate receives a booklet containing all the seminar slides and comprehensive notes which form excellent reference material. Following successful completion of the seminar each delegate receives a certificate.
